

Congratulations
Ryan L Shelby

This is to certify that you have filed a dissertation for a

Doctor of Philosophy
in
Engineering-Mechanical Engineering

with the Office of the Dean of the Graduate Division on

May 17, 2013.

If all other requirements for this degree have been met,
the conferral date will be

May 17, 2013.

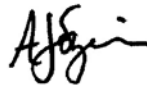

The degree will be posted to your transcript approximately three months after the conferral date and your diploma will be ready approximately one month after the degree is posted to your transcript. Your diploma will automatically be mailed free of charge to the diploma address supplied by you on Bearfacts. If you no longer have access to Bearfacts, you can fill out the Diploma Request Form. If you do not enter a diploma mailing address in Bearfacts or the Diploma Request Form in time for diploma mailing, your diploma will be mailed to your permanent home address. More information is available at <http://registrar.berkeley.edu/Records/diplomas.html>.

If you require evidence that you have completed your degree program prior to the posting of the degree to your transcript, request a certificate of completion from Graduate Degrees, 318 Sproul Hall (http://www.grad.berkeley.edu/policies/pdf/certificate_completion.pdf). After the degree is posted to your record, evidence of the degree can be obtained by ordering an official transcript from the Office of the Registrar, Transcripts Unit, 120 Sproul (510-642-4814 or 642-2247) or a Certificate of Graduation from the Verifications Unit, 120 Sproul (510-642-1883).

If you are interested in participating in commencement ceremonies, please contact your department, school, or college regarding the date and time.

Congratulations on your accomplishment and best wishes for your continued success.

Sincerely yours,

Andrew J. Szeri
Dean
