

## Kashia Band of Pomo Indians Youth Tour of UC Berkeley Schedule

### 10:00 am – 11:00 am **Pomo Basket Tour**

Description: Tour of UC Berkeley's collection of Pomo baskets at Marchant Building located at 1100 67th Street, Emeryville, CA.

(Note: The building is on San Pablo Ave, just between Folger Ave and 67th Street. Bradley Marshall, Tribal Liaison and Natasha Johnson, North American Collections Manager of the Phoebe A. Hearst Museum of Anthropology will be giving the tour)

### 11:30 am – 11:55 am **Tour of CITRIS Technology Museum**

Description: Tour of UC Berkeley's Center for Information Technology Research in the Interest of Society (CITRIS) Technology

(Note: CITRIS is located in Sutardja Dai Hall on the north side of campus; the technology museum is located on the third floor. We have parking passes for the vans for the Hearst Parking Structures)

### 12:00 pm – 12:15 pm **Introductions of Berkeley and Kashia members**

Description: Overview of the visit to UC Berkeley and allows everyone to introduce themselves and why they are here at UC Berkeley

### 12:20 pm – 12:55 pm **Lunch and Poster Session with 4<sup>th</sup> Floor CITRIS members**

Description: Box lunches will be provided by Stella Nonna and 4th Floor CITRIS members will have a poster session about their various projects

(Note: The poster session and lunch will take place on the 4th Floor of CITRIS)

### 1:00 pm – 2:45 pm **Ice Breaker and Innovation Workshop**

Description: User needs assessment with the youth about their needs as it relates to sustainability and other issues facing Kashia

(Note: The workshop will take place in Room 240 CITRIS. The youth will identify need areas for prioritization and will brainstorm conceptual designs to meet those needs)

### 3:00 pm – 4:00 pm **UC Berkeley Admissions Session**

Description: College preparation for admissions into UC Berkeley and other institutions

(Note: Omar Ramirez from the Office of Undergraduate Admission will facilitate this session on Freshman and Transfer admissions to the UC system.)
